

# Judson Press Book Table Ministry

## Special Theme Packages

The packages below list specific titles that match the theme. Descriptions of each book can be found in the Judson Press book catalog or on our [website](#).

To order the package, you need to accept each book listed, but can also add titles from the catalog. Of course, if the packages aren't exactly what you want, simply mix and match on the catalog order form!

The same discount structure applies (12-20 books = 30% discount; 21+ books = 40% discount).

You must order a minimum of 12 books. Indicate the quantity of each book in the package you want to reach your minimum and/or add titles from the catalog on the catalog order form. Because of the significant discount, all books are non-returnable.
