TIME magazine has called him the “Dean of the nation’s black preachers.” Newsweek proclaimed him “One of the twelve greatest preachers in the English-speaking world.” And President Bill Clinton said “If anyone made a list of the five or six greatest preachers in America, Gardner Taylor would always be at the top.”

In the six volume set *The Words of Gardner Taylor*, readers gain an appreciation for this man’s inspirational gifts, passionate theology, and unparalleled preaching. Now, for the first time, Gardner Taylor’s preaching library is available on CD-ROM, enabling preachers everywhere to not only read his words, but to use them as inspiration for building their own sermons. This comprehensive preaching resources offers:

- **The Words of Gardner Taylor, Volumes 1–6** with bonus audio sermon
- **The Holy Bible** in the classic King James Version and the contemporary “dynamic equivalent” translation, GOD’s WORD
- **Classic Bible Reference Tools**
- **Study and Devotional Resources**

The New WORDsearch 7 with Bible Explorer includes a number of practical features that make it easy for pastors to create their own sermons as they work with the material on the CD-ROM. Some of these features include cross-referencing between resources, parallel Bible scripture displays, build-your-own verse lists, advanced search options, and Talking Strong’s concordance.

The Words of Gardner Taylor Preaching Library on CD-ROM software is compatible with several versions of Microsoft Windows for PC, from Windows 95 through Windows XP.

This is a resource no 21st century preacher should be without.
